ORAL QUESTION (O-110/82)

with debate pursuant to Rule 42 of the Rules of Procedure
by Mr SELIGMAN, Sir James SCOTT-HOPKINS, Mr GRIFFITHS,
Mr NEWTON DUNN and Dame Shelagh ROBERTS
to the Commission of the European Communities

Subject : Surplus milk and milk products

1. In view of the allegation that the surplus of milk and milk products in the Community is caused by over-production by the large efficient producers, can the Commission provide conclusive evidence on this matter?
2. Will the Commission indicate whether there has, in fact, been an increase in sour milk and milk products only from the large producers during the last two years, and that medium and small producers have remained static?
